Dear Valued Customer,

Teligent Services, Inc. recently entered into an agreement with Startec Global Licensing Company to transfer its long distance operations to Startec. On or about November 25, 2004, Startec will provide the long distance services presently provided to you by Teligent.

There will be no service interruption associated with this transaction. You will continue to receive the same services, under the same terms and conditions, and at the same rates. You have the right to choose a different long distance carrier subject, however, to the terms and conditions of your existing agreement with Teligent. If you wish to change providers, please inform us by calling customer service at 1-888-411-1175 during business hours or by sending an email addressed to customer.services@teligent.com.

The actual transfer date will depend on when we receive the necessary federal and state approvals. Please note that all current Teligent customers will be transferred, including those who had arranged for a preferred carrier freeze. To arrange a new preferred carrier freeze, please contact your local service provider. The transfer should not result in any carrier-change charges by your local telephone company. If, however, such charges appear on your local phone bill as a result of the Teligent-Startec transfer, please request a credit or refund by calling customer service during business hours at 1-888-411-1175.

Teligent and Startec are committed to a seamless transfer. You will continue to contact customer service by calling 1-888-411-1175. In addition, Startec will work to resolve any complaints you may have filed or raised against Teligent prior to or during the transfer that have not been resolved by the time your account is transferred. Notice of any future changes in rates, terms, and conditions of service will be provided to you as required under your existing long distance agreement with Teligent or as required by law; however, no changes are anticipated.

In the coming months, you will be able to take advantage of a wide variety of additional services developed by Startec especially for business users, such as integrated local and long distance service and DSL Internet access. If you have additional questions, please contact Teligent customer service at 1-888-411-1175 or customer.services@teligent.com.
